

Updated Art Lessons (as of 4/13/20):

Kindergarten-2nd Grade: Students must complete **FIVE art projects** by May 22nd.

Art project ideas can be found on the St. Paul Art website: www.stpaulart.wix.com/spcs

3rd-8th Grade: Students must complete **FOUR art projects** and the **ONE written assignment** by May 22nd.

Art project ideas and the written assignment template (plus my teacher example) can be found on the St. Paul Art website: www.stpaulart.wix.com/spcs

*All art projects and written assignments must be submitted to Artsonia. I will no longer be accepting email submissions. There is information below on how to access our Artsonia page, and a link on how to upload artwork; PLUS I have created my own PDF instructions on how to upload artwork(s) to the app, which can be found on our website. If you are still having technical difficulty, please let me know.

*Because only 5 projects are due until May 22nd, there will be no more weekly “due dates.” Just submit student artwork under Art Projects 1, 2, 3, 4, or 5 on Artsonia **by May 22nd**.

If you have already emailed work or uploaded to Artsonia, no need to re-upload work.

If you are in 3rd-8th grade, you can take a picture of your written assignment and upload it like you would an art project.

*If your student is creating more than the required 5 pieces, please feel free to share! I created an extra project page to Artsonia, and if you run out of space on there, please email me. You can also tag @spcs_art on Instagram or Mrs. Perucca’s Art Studio on Facebook.

I know that a lot of students use art as an outlet during this crazy time, and I want to support them in any way I can.

I apologize for the sudden change in plans, and I want to thank you for all of your support and understanding. If you have any questions or concerns, please let me know!

Sending hope and love to you all,

Mrs. Olivia Perucca

Artsonia Classroom Mode

PARENTS – Our school is offering a way for students to submit their artwork to their Artsonia portfolio from home.

Your child can use iPads or similar devices (or even a browser) to photograph their own artwork, make edits and enter artist statements - all on their own! The artwork will be reviewed by the art teacher prior to being published.

Download the Artsonia 6.0 app in the Apple or Android app store, select the "Students" option, then scan the Access Code below (or manually type in the code). You can also go to www.artsonia.com/class on a browser if you don't have a compatible device.

Access Code: **HFXF-SCDD**

You can view a short tutorial video by going to www.artsonia.com/videos/student-app
